

EJGC Planting areas

Den Hill

24th May 2022

Den Hill is a largely east-facing gentle slope between the avenue and houses. It is intended to be a shrubby thicket with some small trees.

Assumed: that replanting DH1 will wait until there is enough local enthusiasm for clearing the ground or paying to have it cleared.

Space	
DH1	A large 8800m2 space to be planted by Treebourne with native scrub and trees if and when cleared
DH2	15 hawthorn, 15 cherry plum, 10 blackthorn
DH3	15 berberis, 15 crab apple, 10 broom
DH4	5 Goat willow, 5 wild service tree, 5 sweet chestnut, 5 wild pear, 10 guelder rose, 10 crab apple
DH5	5 horse chestnut, 5 white poplar, 5 holly, 5 black pine, 10 wayfaring tree, 10 wild plums
