

## EJGC Planting Areas

The Royal Eastbourne Golf Club: Border

24<sup>th</sup> May 2022

This area comprises the space between the REGC and the track of the Jubilee Way, which the Avenue follows in this space

In the northern section the Avenue runs about 30m from the course, and the course is bordered by tall trees. Most of the trees are ash, dead or dying. There are some patches of shrub in good order between the trees and the path.

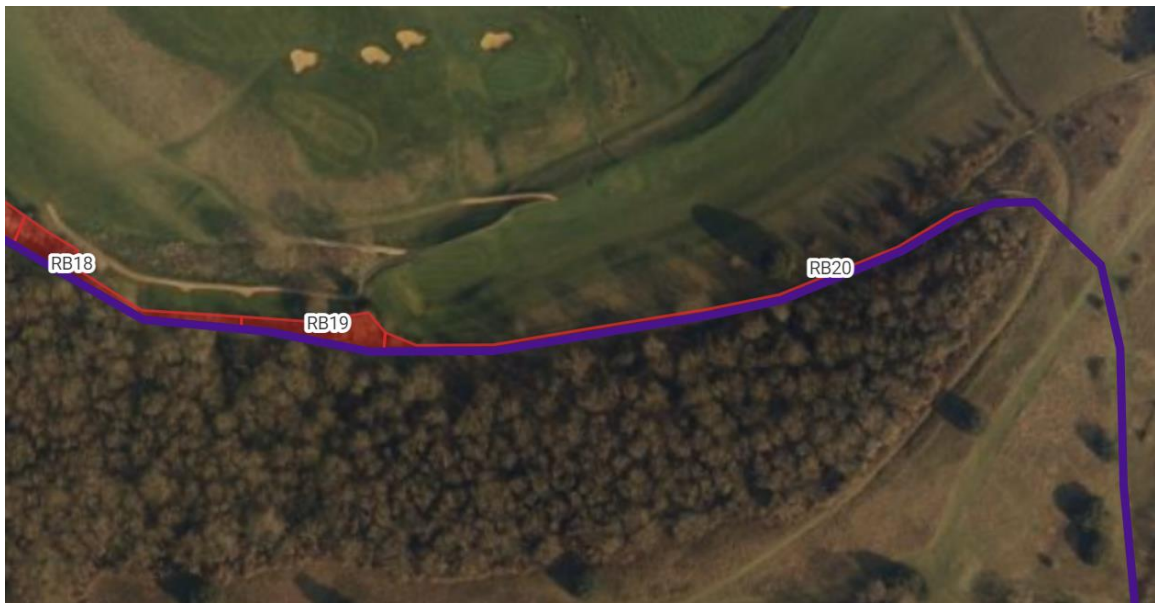

Space	Species
RB1	175 Elder, 5 wild pear
RB2	5 Robinnia pseudoacacia, 175 elder
RB3	5 Robinnia pseudoacacia, 175 blackthorn
RB4	5 Robinnia pseudoacacia, 175 blackthorn
RB5	5 Robinnia pseudoacacia, 5 Sorbus domestica, 150 buckthorn
RB6	5 Robinnia pseudoacacia, 5 Sorbus domestica, 150 buckthorn
RB7	5 Robinnia pseudoacacia, 5 Sorbus aria, 150 hawthorn
RB8	5 Robinnia pseudoacacia, 5 Sorbus aria, 150 hawthorn
RB9	5 Robinnia pseudoacacia, 5 syringa reticulata, 150 dogwood
RB10	3 crab apples with mistletoe, 25 juniper

In the central section there is only about 10m between the path and the edge of the golf course, and about 1/3<sup>rd</sup> of the length is open, allowing long views. A further 1/3<sup>rd</sup> is occupied by existing shrubs and small trees.

Space	Species
RB11	As needed to fill gaps: hawthorn, privet, blackthorn, wild plums, elder, dog rose, guelder rose, wayfaring tree. For decoration: 1 <i>Prunus cerasifera</i> , 1 <i>Syringa vulgaris</i>
